FRIENDS OF DANIEL FOR ROWING ASSOCIATION

## Philanthropy through sport

The Daniel Rowing Centre delivers an infrastructure for olympic and paralympic rowing in Israel, nurtures champions, while at the same time uses nautical activities as means to empower the underprivileged and those with special needs.

The facilities comply with the highest world standards of accessibility for the disabled.

---

### **Excelling athletes**

Providing top-notch training programs and facilities, giving Israeli athletes opportunities to fly the flag for Israel at the world arena.

### **Paralympic rowing (Para-rowing)**

Supporting para-rowing athletes in their national and international endeavor. Providing specialised adaptive rowing equipment - boats, oars, simulators and more – together with an unparalleled accessibility platform.

### **People with disabilities**

Bringing people with disabilities and special needs to practice and enjoy nautical sports. Setting the standards for accessibility and inclusion.

### **Rowing for Life – women recovering from breast cancer**

Using Dragon Boats training as an integral part of post-surgery physical rehabilitation, this group activity proves priceless in providing the much needed mental and spiritual support.
